Working together, growing together, all to flourish

Socks!

We are finding that children are getting better at wearing and cleaning their waterproofs, but their socks are still getting wet! Please could we ask you to pack your child a spare pair of socks in their school bags – just in case!

Mini Police

The Year 5 children have been working with the Police to look at various ways they can help in the local community, by discussing topics such as littering and anti-social behaviour. Yesterday, they conducted their very own 'road safety campaign' as children used a speed gun to monitor the traffic on North Road.

East Langford Care Farm

Last week was our last visit to East Langford Care Farm as it now closes for the winter. East Langford Care Farm, provide a fantastic space and resource for us to access and Vicky, the manager, is so welcoming and excellent with all our children.

Girls' Football

Well done to the girls' football team for getting through to the next round!

Parent-Teacher Meetings

Thank you to everyone who attended parent-teacher meetings this past week. If you were unable to attend, but would like to discuss your child's progress with their teacher, please contact the school office and we can book you a meeting, or a telephone call with the teacher.

After School Sports and Activity Clubs

From Monday 21st October, at the end of the school day we will be closing our school gates at 3:25pm and will re-open them at 4:10pm to allow parents to pick up from after school clubs. We are locking the gates to ensure the safety of our pupils who are still on-site taking part in clubs. Thank you for your cooperation.
