Children's Mental Health Week

Next week, is Children's Mental Health Week, from the 3rd -9th February 2025. Mental health awareness week was launched by the children's mental health charity, Place2Be. The week exists to empower, equip and give a voice to all children and young people in the UK. The theme this year is, '**Know Yourself, Grow Yourself**' with the aim at looking at how having a better understanding of yourself will help young people develop resilience to cope with life's challenges. Here are a couple of websites you may wish to look at with your children.
